Recognition Plaque: The wording on the plaque must be approved by the Resort Municipality of Whistler. The use of dates is not permitted as they serve to create a memorial. This is not the intent of the Tribute Plaque Program. Wording is encouraged to be non-denominational and kept in the present tense to keep the theme of the inscriptions uplifting and inspirational while still honoring the person who is the subject of the donation.

Example of Parks plaque (a plaque design form will be sent to you following receipt of application):

8" Wide x 3" High – 3 Line Layout
*Maximum 38 characters (including spaces) permitted per line**

Details:

Standard sized bench tribute plaques are cast bronze. Standard sized bike rack plaques are brass with black engraving.

- Park and Valley Trail sites: tribute plaque sites are pre-existing locations and the RMOW confirm availability in consultation with the donor. Benches are made from low maintenance artificial wood product and bike racks are made from galvanized steel.
- Village sites: tribute plaque sites will be determined by the RMOW in consultation with the donor. Benches are the existing Village standard (cedar benches) and are positioned seasonally. Bike racks are stainless steel and remain year-round.

The RMOW maintains ownership of the fixtures and sites, and in consultation with the donor, retains the right to move or relocate them.
